

Clean Plus Gluvs

Top Quality Medical Grade Nitrile Gloves For Shop, Industrial, Health, EMS and Home Use

Clean + Gluvs are designed tough to give your hands the protection they need and keep your hands clean under harsh working conditions. Available in our “Hi-Dex” blue, “Cobra” black, and a heavy-duty 6mil, Clean Plus has the glove to suit your specific needs.

Select Clean + Gluvs for:

- Protective gloves of consistent high quality—MEDICAL GRADE!—FDA tested and approved.
- Gloves of uniform sizes that meet ASTM standards.
- A comfortable fit. Available in a wide variety of sizes from XS to XXL
- Micro Texturing for gripping power either wet or dry.
- Excellent tensile strength with beaded cuff for extra tear resistance.
- High Dexterity, while maintaining superior strength.
- Accelerator-free nitrile compound ensures unsurpassed strength.
- Polymer-coated, powder-free for easy donning, without the unwanted effects of powdered gloves.
