

Clean Plus Professional Glass Cleaner Concentrate

Clean Plus Professional Glass Cleaner is specially formulated for professionals and consumers alike. Simply spray on and wipe away with Clean Plus Dry Wypes Lo-Lint towels for clean, streak free results. Clean Plus glass cleaner quickly dissolves grease, grime and dirt. Clean Plus Glass Cleaners' formula contains no ammonia or vinegar, which could harm glass adhesives and sealers.

Available either in ready to use formula or in economical concentrate formula, Clean Plus Professional Glass cleaner is the product of choice for quick, effective, streak-free and contaminant-free cleaning of glass or other nonporous surfaces.
